GARDEN CONCEPTS MAKES COVER OF *AMERICAN NURSERYMAN* MAGAZINE

April 16, 2001, Glenview, IL—Garden Concepts, Inc. a Glenview, IL landscape design firm is featured on the cover of the April 2001 *American Nurseryman* magazine. *American Nurseryman*, founded in 1904, is a highly respected national trade magazine with more than 14,000 subscribers who are primarily green industry professionals. The cover photo depicts a backyard project Garden Concepts designed in 1996.

The April issue, subtitled "A Focus on Landscaping" also features an article written by Garden Concepts' President, Tim Thoelecke, Jr., entitled *The Value of Design*.

In addition to the *American Nurseryman* magazine, Garden Concepts has recently been included in a number of other important publications. Tim Thoelecke was interviewed and quoted extensively in the March 5, 2001 issue of *Crain's Chicago Business* in their Residential Real Estate Guide and Garden Concepts was called one of "Chicago's most creative residential landscape design firms" by *Chicago Magazine* (April 2001).

Garden Concepts, Inc. has been designing primarily high-end residential landscapes in the Chicago area since 1989. Located at 1926 Waukegan Road Glenview, IL 60025, they can be reached at 847-657-7900.
